**STS Defence Limited**

---

Mumby Road, Gosport, Hants, PO12 1AF

Has been assessed  
by Simon Synowiec for NCC Group PLC  
against the Cyber Essentials Scheme Test Specification

Level of certification: Cyber Essentials PLUS

Scope: STS Defence Limited external network infrastructure, end user workstations and mobile devices

Certification date: July 29th, 2019

Recommended re-assessment date: **July 28th, 2020**

Certificate no.: 5514188032819604

This Certificate confirms that the organisation named was assessed against the Cyber Essentials Requirements dated June 2014, and at the time of testing, the organisation's ICT defences were assessed to meet the Requirements. Cyber Essentials Certification indicates that the organisation has implemented a sensible baseline of organisational cyber security only, and implies no guarantee of effective defence against commodity cyber attacks circumventing this baseline. Organisations are recommended to define and understand the risks to their organisation and take all appropriate action to mitigate or reduce any issues, which may require a greater degree of rigour or technical investment than is required for Cyber Essentials alone.
